Winter on Lord Howe Island showcases an array of unique activities that highlight the wildlife and biodiversity of our World Heritage listed Island.

Undisputedly one of the most unique and beautiful places in the world, Lord Howe Island is made up of 75% protected park preserve, encompassed in a marine park, and is as fascinating as it is beautiful.

With a legacy of world class conservation projects under its belt, Lord Howe Island's community is deeply connected to the environment and many of the successful conservation projects that have been carried out over the last century have been pioneered by the community, who take great pride in ensuring the Island is protected.

Lord Howe Island's renowned pristine natural environment is maintained through world-class conservation efforts that began more than 100 years ago and continue today.

In winter 2018 we will be showcasing these projects and many more amazing environmental experiences available in our marine park and permanent park preserve.

EXPERIENCE FIRSTHAND THE WILDLIFE PHENOMENA OF LORD HOWE ISLAND'S PROVIDENCE PETREL

David Attenborough was so fascinated by this experience that he included footage of these amazing birds in his internationally acclaimed series 'The Life of Birds'.

CHASE "N" THYME EXPERIENCE

Round Island Bus Tour

Rated #1 on TripAdvisor's 'Things to do on Lord Howe Island', the Chase "n" Thyme experience is more than a tour, this is a journey through the island from early settlement to the present day and all the wonderful things in between. Come join your hosts Janine and Peter Phillipps on an entertaining and informal tour of Lord Howe Island's more interesting nooks and crannies!

A great introduction on what, where and how to do Lord Howe! What are the best walks? Where do you get the best photos? The tour includes visits to the local school, Government House the hospital and the Catalina monument.

Peter will point out many of the island's ever-changing sea and land birds. The island's rare bird the endemic Woodhen and Kentia Palm. Learn all about the island's social history, early settlement, predators and pests, flora and fauna, ships, flying boats and the airstrip, island tales and even buried treasure!

Morning or afternoon tea at Peter and Janine's secluded Neds Beach home included.

Check out Chase n Thyme on TripAdvisor and find out what you can experience, Howe, What, When and Why?

SEA LORD HOWE

Round Island boat cruises + Fishing

Sea Lord Howe is a boutique sightseeing and fishing charter located on Lord Howe Island. The vessel Lulawai was custom built on the island in 1968 and has a lot of memories and history to share. The 37ft luxury cruiser is fitted with a private bathroom and offers comfortable cruises as well as action filled fishing trips. The vessel was refitted in 2010 for modern cruises.

We offer around the island cruises where we circumnavigate the island as well as offer commentary. We point out landmarks, share stories and history related to the island and its rich background. This cruise is 2 hours long and while aboard you will be looked after by locals with an abundance of information to share with you.

We also offer fishing trips, the most popular of these being our evening trip. On which we head out into the lagoon to enjoy the sunset before chasing various species suited to all anglers. This is an excellent opportunity to enjoy the island during sunset from its best angle. This trip especially suits families or couples/friends who would enjoy a relaxed environment but still wish to leave Lord Howe Island with a fishing experience.

Full and half day fishing charters are also available.

 sealordhowe@gmail.com

SEA TO SUMMIT EXPEDITIONS

Mt Gower

Enjoy a day with Jack Shick climbing Mt Gower on Lord Howe Island, rated one of Australia's twenty best day walks. Jack is a fifth generation Islander and third generation mountain guide, following in the footsteps of his Grandfather and Father. Jack is the most experienced guide on Lord Howe Island with a total of over 2000 guided trips to the summit. Jack has been a mountain guide for 20 years. Experience breathtaking views, see some of the Islands rarest plants and bird life.

Mt Gower is an iconic peak at the southern end of Lord Howe Island, rising 875m from sea level. The walk is around 14km return and takes about 8.5 hours and are scheduled for every Monday and Thursday.

Scenic Trips – Balls Pyramid Sightseeing and Around the Island

Balls Pyramid, an iconic rock stack rising 552m out of the water, 23km from Lord Howe Island. This is not just a boat ride, with Jack Shick & Ian Hutton on board there is nothing missed. From Birds, Fish, Geology and Local History your journey will be filled with a wealth of information.

Fishing

Jack Shick, your skipper of 20 years experience and fifth generation Islander can take you to the local hot spots.

We provide you with Tiraga 30 overhead reels loaded with 80 to 100lb braid, we also have a selection of spinning rods and reels.
